Annual 64,2009(a) CPNI Certification for: 2008
Date Filed: February 27, 2009
Name of Company covered by this certification: International Communication Services, Inc.
Form 499 Filer ID: 826847
Name of Signatory: Felipe Guelfi
Title of Signatory: Chief Financial Officer

I, Felipe Guelfi, certify and state that:

1. I am the Chief Financial Officer of International Communication Services, Inc. and, acting as an agent of the company, I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. Section 64.2001 *et seq.*
2. Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in Section 64.2001 *et seq.* of the Commission's rules.
3. The company has not taken any actions against data brokers in the past year.
4. The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI.

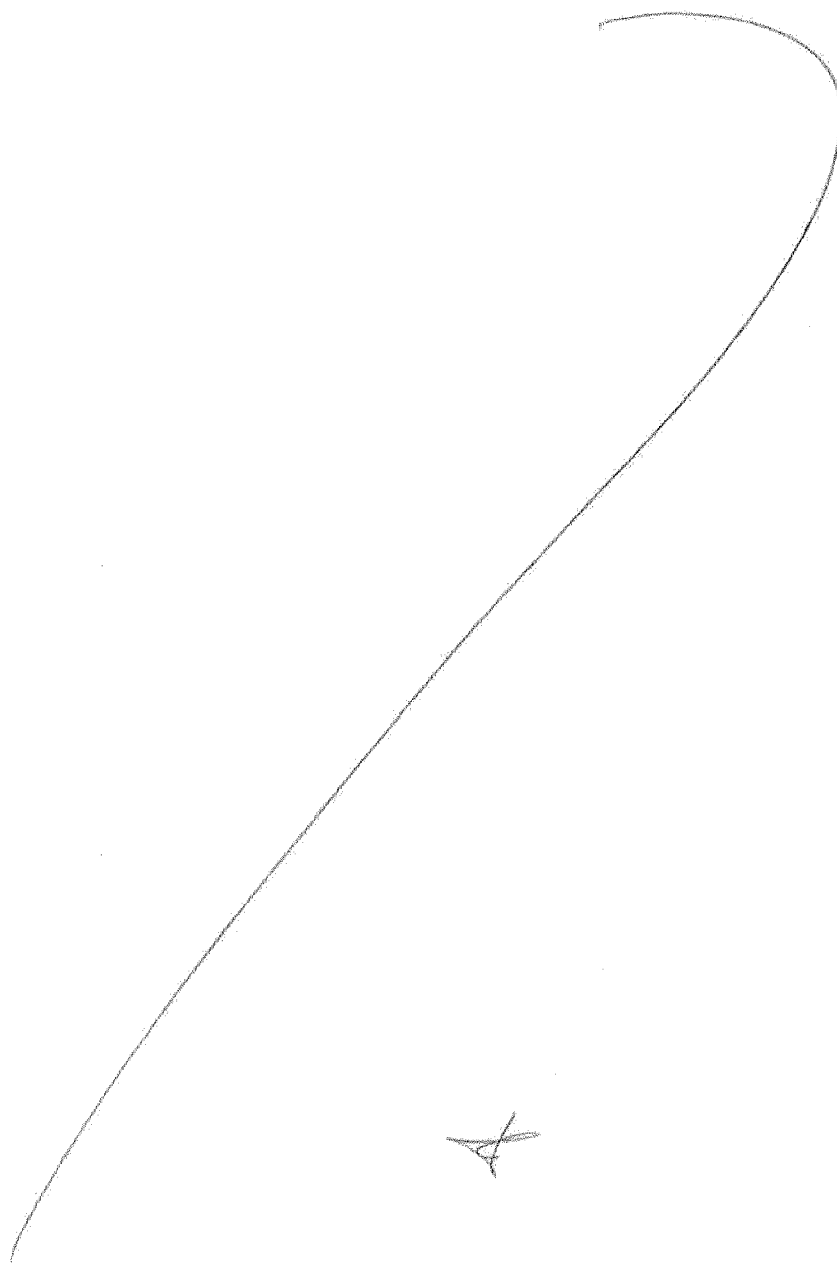

Felipe Guelfi, Chief Financial Officer
International Communication Services, Inc.

Statement of CPNI Procedures and Compliance

International Communication Services, Inc.

Calendar Year 2008

International Communication Services, Inc.

Statement of CPNI Procedures and Compliance

International Communication Services, Inc. ("ICS" or "Company") operates solely as a provider of long distance prepaid debit card services sold via the internet or in retail stores not owned or operated by the Company. For retail services, the Company does not have any subscribed relationship with its customers and does not have any identifying information regarding its customers. Web-based sales do provide the Company an opportunity to build a subscribed relationship with its customers..

ICS does not use or permit access to CPNI for marketing purposes. ICS' marketing efforts are mass advertising, including internet advertising, and point of sale, and do not include the use of CPNI. Should ICS expand its business in the future to include the provision of services that involve CPNI, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

The Company however does maintain prepaid debit call detail records. The Company ensures that all access to call detail information is safeguarded from improper use or disclosure by employees and has in place methods to discover and protect against attempts by third parties to gain unauthorized access to this information. Call detail is not available and therefore is not disclosed at retail locations. Because the Company does not have any information regarding customers who purchase retail cards, the only authentication method available to the Company is to require that the customer provide the 10 digit PIN on the back of the card when calling for customer service.

Customers who purchase prepaid service via the internet are requested to establish a password on-line. Account information, including call detail, is available to customers of on-line service. In the event a customer loses or forgets the password established, the company has an authentication procedures to allow the customer to set up a new password. Information is only provided to customers via the email address established when service was initiated.

International Communication Services, Inc.

Statement of CPNI Procedures and Compliance

(Page 2)

Call detail information is only provided to government agencies or law enforcement, in writing, as a result of a subpoena.

The Company has in place procedures to notify law enforcement in the event of a breach of customers' CPNI and should such an event occur, will record all breaches discovered and notifications made to the United States Secret Service and the FBI. Attempts will be made to the extent the Company has such information, to customers.

ICS has not taken any actions against data brokers in the last year.

ICS did not receive any customer complaints about the unauthorized release of CPNI in calendar year 2008.

The Company has not developed any information with respect to the processes pretexters are using to attempt to access CPNI.
